Junior Hockey Tickets Go On Sale Weekend

Vernon Junior Canadians president Bill Brown said today that season titckets for the 1962-63 Okanagan Junior Amateur Hockey Association season would go on sale this weekend.

The tickets are priced at $8.00 and entitle the holder to admission to all 16 home games during the regular season.

Feature of this year's tentative schedule is that Vernon will play 12 Saturday night games and six on Tuesdays. Last year all games were played on Tuesday.

Once again Kamloops, Vernon, Kelowna and Penticton are entered in the OJAHA which officially gets underway October 19 with Vernon at Kelowna and Kamloops at Penticton.

Arena officials plan to install the ice surface October 1, and junior training camp will probably start almost immediately.

No coach has yet been named. Last year's mentor, Odie Lowe, has indicated he will be involved with Vernon's entry in the newly-formed intermediate league this winter.
