Jr. Blades Getting Hungry, Seek First Victory Via Vees

The Vernon Blades will be in a mighty mean and hungry mood when they take on Penticton Junior Vees in junior hockey action this weekend.

With four straight losses this season the Blades are aiming to stop the famine and start a win streak at the expense of the Peach City entry.

Penticton probably is hungry too, with four zeros on the win column to match Vernon. Both clubs have lost their twin meetings with Kelowna and Kamloops, now deadlocked in first place and slated to battle it out this weekend.

Coach Bill Brown said his Blades have worked real hard in practice this week and show good spirit despite their winless status.

Brown will go with these three forward line combinations which have clicked well together so far: Sherk, Stein, McNeil; Stephen, Coulter, Sorochuk; Agar, Groenhausen, Turanski.

The defence has been working particularly hard this week, determined to stop up the holes once and for all.

Game time for the Blade-Vee meeting here Saturday is 8:30 p.m. at the Civic Arena.

Minor Hockey Booster Drive Next Week

The Vernon Minor Hockey Association will hold its annual Booster Drive Wednesday, Nov. 7.

Purpose of the drive is to publicize minor hockey in the Vernon area and to raise money to help finance the operation of the five divisions included in the association. It is hoped $500 can be raised.

Members of the Pee Wee, Bantam, Midget hockey teams will conduct a door-to-door canvass selling Boos-
