PRAGUE (CP) — Team Canada is altering its strategy as it prepares for Thursday's meeting with Czechoslovakia — its first test against the big guns at the world hockey championship.

The team, improving each game since losing its opener to Finland, is expected to play Canadian-style hockey Monday night and come away with a convincing 2-1 victory over a physically tough West German team.

The Canadians have completed their round-robin schedule against the so-called weaker clubs—Finland, East Germany, the United States and West Germany—with a 3-1 record and are in fourth place.

The Russians and Czechoslovakia and Sweden are all undefeated, but all their games have been against the lower-ranked clubs.

The Soviet Union dumped East Germany 10-2 in Monday's only other game.

There are several ways for Canada to make it into the top four and qualify for the four-country championship round-robin, but the simplest would be to beat two of the three big clubs.

Assuming that Finland loses to Sweden today but then wins its remaining games, it could slip into the top four unless Canada can win two of its remaining three.

Assistant coach Marshall Johnston explained why the club went back to North

American-style hockey—two forwards coming back, one forward forechecking and the defence standing up at the blue line.

PLAY OWN GAME
"With the big ice surface, you don't have puck possession all that much under our system, but I'm not sure it's logical to try to adapt to the European game in 10 days," he said.

The Europeans have been playing the puck control game for 15 years, so we might as well try to play the game our way and let it go at that."

Playing their own brand of hockey, the Canadians got a powerful performance from Los Angeles Kings centre Marcel Dionne who scored three goals and brought his total, officially, to seven—tops in the tournament.

Vancouver Canucks left winger Don Lever, who has had problems controlling the

puck on scoring chances, broke through with his first two goals Monday and Dennis Maruk, the speedy Cleveland Barons centre, got one to bring his total to five.

The Canadians, despite outshooting the West Germans 28-26, were outplayed at times and Pittsburgh goalkeeper Denis Harkin was sharp, especially in the first period.

Canada took seven of the 13 minor penalties with St. Louis Blues centre Garry Unger getting a 10-minute misconduct in addition to the period for appearing. One of the West German goals by Rainer Philipp in the third, came on a power play.

PARTIALLY STOPPED
Maruk opened the scoring with the only goal of the first period on a shot from the top of the faceoff circle which was partially stopped by goaltender Bernard Engelbrecht.

Dionne knocked the puck in from a scramble on a power play at the 11-second mark of the second period. He scored his second goal at 1:52, starting from his own baseline, circling the net and slipping the puck in.

The West Germans narrowed the margin to 3-1 on a shot from the point by Ingar Bernander and then had a goal called back because they had seven skaters on the ice during a delayed penalty call.

Lever then stole the puck and deked the West German goalie to make it 4-1 midway through the second period.

After Philipp made it 4-2, Dionne again scored from behind the West German net and Lever was set up on a good pass by Bob MacMillan of Atlanta Flames for the final goal.

Vernon squad wins one
Vernon's Coldstream Motor Hotel won one and tied one in senior women's exhibition football action on Sunday at Lakeview Park.

Coldstream tied Kelowna 1-1 in the first half, then blanked the visitors 5-0.

Pat Wilson, on the mound for Vernon in the first, allowed three hits and walked two batters.

Coldstream was able to get only three runs, on eight hits, off pitcher Jean Nichol.

Eric Pionish and Delores Weibe were both two-for-four for the locals.

The second game, Alayne Demaria allowed only three hits in picking up the shutout.

Eric Pionish and Delores Weibe were both two-for-four for the locals.

Manager Walt Keckalo said he thought to narrow in on the effort considering it was their first games of the season.

Keckalo added, "For this early in the season, our pitching looked good. But, we've still got a lot of rough edges."

Raiders beat Centennials 8-6
PRINCE ALBERT, Sask. (CP)—Prince Albert Raiders defeated Merritt Centennials 8-6 in the United Soccer Federation Centennial Cup western final Monday night.

Eric Pionish and Roy Roeder each scored two goals to pace the attack for the Raiders who had periods of 3-2 and 7-4. Single goals were added by Greg Anderson, Al Moore, Rick Boomy and Kelly McCormick.

Bob Dechamps and Blake Stogers were injured before St. Louis and Pat Rabitt replaced for the Centennials, who were awarded a 10-minute misconduct for a minor penalties. Each team were assessed 10 minutes.

The next game in the best-of-seven series will be played tonight.

WESTERN DAYS

North Okanagan Regional District Chairman Russ Postill signed a proclamation on Monday declaring this week, "Western Days." The proclamation is in honor of the annual head of the Lake Professional Rodeo, which will be held Saturday and Sunday, at the rodeo grounds 10 miles north of Vernon. Looking on is Village Green Inn Manager John Williams, treasurer of the rodeo. Below, one of the founders of the rodeo, Ben Louie, helps with the facelift work at the grounds. Work crews have been busy for the last several weeks preparing for the first major rodeo of the year in the B.C. Interior. (Daily News Photos)

NEEDS OPERATION
CLIVELAND (AP)—Pitcher Wayne Garland of Cleveland Indians will miss the remainder of the 1978 American League baseball season to undergo surgery on his right shoulder, a spokesman for the team said Monday. Garland, 27, has a tear in the rotator cuff of his shoulder.

MORTON SIG'S
DENVER (AP)—Craig Morton, the veteran quarterback who led Denver Broncos to the Super Bowl in his first season with the team, signed a series of one-year contracts covering three years, the National Football League team announced Monday. Morton's salary was believed to be near \$200,000 per year for the three years.

SHORT OF CASH
HOUSTON (AP)—Houston Aeros owner, Kenneth Schmitter, trying to sell 7,000 season tickets by Thursday to pursue a National Hockey League franchise, said Monday the campaign has netted \$88,000 but only 58 per cent of those have actually paid for their options.

Vikings read

The Vernon Vikings are no more and judging from the number of fans who patronized the club during the past B.C. Junior Hockey League season, few people saw it coming.

Vernon Canadians were reborn on Monday at a press conference, at the Village Green Inn. A group of local businessmen, which purchased the Vikings last week, chose to rename the team.

Business manager for the new group, Don Brown, said he believes if you're going to change something, you might as well go all the way. Brown said, "We've got new owners, a new name, and hopefully a whole new outlook on Junior hockey in Vernon."

SIX OWNERS

Six new owners were unveiled at the conference—Brian Williams, Hank Aarsen, Paul Wither, Herb Englebrecht, Ernie Kowal, and the team's new general manager Sheldon Bloomer.

It is too early to tell if the group is going to cause a hockey revolution here and people will start flocking to the rink. But, one thing is "certain," they have a fresh approach.

Brown and Bloomer, both good hockey men, have surrounded themselves with competent help.

Directors of the organization will include the owners as well as certain selected appointees at large. Selected appointees shall share equal voting rights with the owners and will be assigned definite responsibilities in the organization.

Among the directors are: treasurer Len Miller, who was president of the BCHJL in 1963 and 1964; Bill Brown, who was responsible for starting Junior A hockey in Vernon and president of the league during the 1961 season; and Jim Albrecht, chairman of the Winter Carnival Pee Wee Tournament Committee.

TOUGH OBJECTIVES

The owners have set a list of tough objectives for themselves. If they can come close to these goals, they'll have a first-class operation. They include:

1. To retain a junior hockey club locally owned and controlled.

2. To provide an opportunity for local
