

A weekly column to aid the novice horseperson.

Welcome to 1981! It looks like a very busy year ahead for horse people and many exciting things have been happening already.

AUCTION WITH A DIFFERENCE

Most people are familiar with the normal horse auctions but not too many are aware of the mechanics of a stallion service auction so here goes!

From the stallion owner's point of view, these auctions are an opportunity for him to let the public know about his stallion. He has the opportunity to show him off and talk to visitors.

In order to enter an auction, which is generally sponsored by a horse club, he agrees to bring the stallion to the auction where one stud service will be auctioned off for that horse. It is agreed that the stud fee will not be auctioned off for any less than half of the normal stud fee. The proceeds from this will then be split half and half between the stallion owner and the club. The bidder must pay for the service that day.

The mare owner who wishes to breed has the opportunity, at a stallion service auction, to view a good selection of stallions of different breeds and to discuss their ideas. There is also the added advantage of being able to obtain the stud fee at a greatly reduced rate!

The club, for its part, agrees to make all the arrangements for the sale — securing the site, auctioneer, organizing helpers, selecting the stallions, producing the catalogues, promotion and advertising. All in all, it is an ambitious venture and of benefit to all.

VERNON TO HOST ONE

The BCIAHA has agreed to sponsor a Stallion Service Auction in Vernon, in 1981. It will be held at the Four Seasons Equestrian Centre, Middleton Way off Highway 6, on March 1. Public viewing commences at 10 a.m. and the sale starts at 12 noon. This auction will also have the added advantage of presenting 30 stallions of 14 different breeds plus a select sale of 15 quality using horses.

The auctioneer will be Don Raffan, of Valley Auctions in Armstrong, and the Pedigree Rerader will be yours truly. Refreshments will be provided and various clubs will have booths and literature and tack will be displayed. By the interest shown so far, this should be a big one so don't miss it!

STALLION DIRECTORY

The second annual Stallion Directory deadline has been extended to Jan. 9 for those requiring proofs, and to Jan. 16 for those who do not. The response to this free publication has been tremendous and it is shaping up to be much bigger than last year's edition. Many requests have been received from clubs, including some on Vancouver Island, for copies for their stallion parades, horse shows, etc. This year its large distribution will cover B.C., Alberta, Washington, Oregon and parts of Saskatchewan. It will be published Feb. 10.

ERIC BRAND CLINIC

The BCIAHA had such a response for the Eric Brand All-Breed Western Clinic last April, that many had to be turned away. It is all set to be a three-day clinic this time, limited to 18 entrants. It will again be held at Postill's Arena, in Coldstream, by kind permission of Russ Postill. Entry forms from S. Goertz, RR3, Pringle Rd., Armstrong (546-6004).

TRAIL RIDING RULES

A meeting of all parties interested inthe formation of a set of rules for B.C. Competitive Trail Riding will be held at 7400 Silver Valley Drive, Coldstream, at 1 p.m., on Jan. 18. If you wish to have some input, be sure to attend!

HINT FOR THE WEEK

As I write this, the snow is really coming down again, which is just great for the skiers. However, the poor old horse generally ends up walking about on stilts as the snow packs up in his foot. This can be helped by coating the sole of the foot with grease, vaseline, or pine tar. It makes it harder for the snow to pack and form a hard ball and also helps to condition the foot.

For further information on any of the above events, phone me at 545-9896 (evenings).

Cougars sign new forward

Vernon Cougars' Coach Gary Swanson announced today his club has signed forward Rob Hesketh.

Hesketh, who can play centre or right wing, is moving to Vernon from Chilliwack.

Hesketh, 27, was a standout with Chilliwack Bruins in the B.C. Junior Hockey League and later played university hockey in the United State..

CAN SKATE

Swanson said, "I haven't seen him play yet, but a couple of our guys who played against him in junior, say he can really skate. Judging from what I've heard, he should help us."

Hesketh will be in the line-up Saturday when Cougars meet the Aces, in Salmon Arm.

Meanwhile, statistics released today show two Vernon players are running away with the league scoring race.

Terry Lowe has accumulated 77 points, five more than linemate Dave Caldow. Their nearest rival is the third member of that line, Les Salo, who has 44 points.

The statistics are:

TEAM WILL OPERATE

Loss of players won't stop Lakers

Vernon Lakers' General Manager Hank Aarsen said today his club will complete the 1980-81 B.C. Junior Hockey League season.

"There is no doubt we will continue to operate," Aarsen said. "We will do the best we can, with the players we have."

Forwards Dave Fish and Roger Foulds, defencemen Les Creelman and Mike Wiebe, and goalie Rex Slizak quit the Lakers on Monday. However, Wiebe has reconsidered and will remain with the club.

Aarsen said, "There is no doubt about it, we'll really miss Creelman and Slizak. But, if they don't want to play for us, there is nothing we can do.

"We're hoping to meet with the Vernon juvenile reps to reach some type of working agreement so their players will be available to us."

Lakers have 15 players on the roster, including forward Jeff Vest, who is sidelined for several weeks with a shoulder injury.

Vernon is back in action Thursday, in Merritt, against the Centennials.

CLIPPERS WIN

Ken Large, Cary Rhyhorchuk, Steve Rothenbush, Bryan Ingram, Randy Slawson and Derek Waters scored for the Comets, whose goalie, Randy Mishaud, made 59 saves including 24 in the third period.

At Richmond, the Sockeyes got two-goal performances from Eric Catchpole, Dan Pavich and John Cardwell in a game rescheduled from Jan. 16.

Shawn Lynes, Jim Thom, Steve Moria and Brad Rand scored single goals for Richmond, still five points behind Nanaimo.

HERE'S THE PLAN

Now, a million more British Columbians are protected from the high costs of basic dental care with the new provincial Dental Care Plan. Best of its kind in Canada, the Plan provides no-premium insurance to help those who need it most pay for essential dental services.

WHO IS ELIGIBLE

☐ All children, 14 and under
☐ All senior citizens, 65 and over
☐ Those whose Medical Services Plan premiums are paid by the Ministry of Human Resources, and their dependents.
☐ Those who receive premium assistance from the Medical Services Plan, and their dependents.

There are no premiums to pay. You are automatically covered if you are in one of these categories and are presently registered under the Medical Services Plan (Medicare).

BENEFITS

The Plan will pay up to $700 a year for each person. It will pay for 50% or 100% of insured services, depending on your category. You'll find full details in the Dental Care Plan brochure. These services include check-ups, X-rays, cleaning, fluoride treatment for children, fillings, extractions, root canals, gum and bone treatment, and denture repairs. Full dentures provided by a dentist or licenced dental mechanic will be covered, as well as partial dentures provided by a dentist.

The Plan will pay 100% of a once yearly preventive care package for children 14 years of age and under.

OUT-OF-PROVINCE COVERAGE

If you are covered by the Plan, you will be entitled to dental benefits in an emergency anywhere outside British Columbia.

FOR MORE INFORMATION

Brochures fully describing the Plan are available from your local community health unit, Government agents throughout the Province and from the Vancouver Service office at 800 Hornby Street, or
