KENDALL'S KORNER

Willie enjoys going to work

Willie Stargell is a lucky man! He makes his living doing something he enjoys.

Stargell, who led Pittsburgh Pirates to the 1979 World Series, is in Vernon for two days as a special guest of Winter Carnival.

"The day I stop enjoying playing, is the day I'll retire," he said. "Every young baseball player dreams of making it to the major leagues . . . and I did. We're just like big, little kids out on the field . . and people pay to see us perform."

FREE AGENT

Stargell signed with Pirates in 1962, as a free agent. After establishing himself as one of the top sluggers in baseball, his carrer appeared to be nearing an end in the mid 1970s. However, in 1978 he was named Comeback Player of the Year; and in 1979 he was Most Valuable Player in the National League and the World Series.

Injuries kept Stargell in the dugout most of 1980, but he is looking forward to the '81 season.

"I always look forward to playing. When I'm out on the field, I'm in total isolation. Most of the time, I don't even notice the people in the stands."

Interviewing Stargell was a unique experience. He philosophizes, states facts, and his opinions. But, he won't speculate what is going to happen in the future.

Highlights of the interview included:

CARLTON TOUGH

Are there any one or two pitchers who have given you the most trouble in your career? "When I'm hitting I can hit anyone. When I'm not hitting, my 43-year-old son gives me trouble. Right now, Steve Carlton (Philadelphia Phillies) is as good as any I've faced."

The designated hitter rule, used in the American League, could extend your career by one or two years. Are you in favor of the DH rule? "I guess the DH rule is good for some guys who have injuries, and can't play defence anymore. I don't really like the rule myself."

Will Montreal Expos continue to be a serious contender? "Montreal is steadily trying to find the key ingredients to put together a championship club. All teams want to win the pennant. The secret is finding the right ingredients. It takes a unique substance to create a winner."

There was a lot of publicity given to the 'Family Almosphere' on the Pirates in 1979. Last year, with the trade of pitcher Bert Blyleven and Dave Parker, asking to be traded, the 'Family' appeared to have some problems. What caused them? "All families have problems. We had problems in 1979 . . . and we dealt with them. When you struggle and then accomplish, then you can appreciate.

"Last year, Bert wanted to pitch more, (manager) Chuck Tanner likes to use the bullpen, and so Bert was traded.

"Parker gave a natural reaction, speaking out against the fans, after a fan threw a battery at him."

BIG MONEY

Is Dave Winfield worth the big money New York Yankees are paying him? "I feel sorry for Winfield. I don't know if he will be able to enjoy playing. People are going to look at him through a microscope. Thirty home runs and 100 runs-batted-in won't be good enough . . . people will want double that from him."

What is your opinion on platooning, using right-handed batters against left-handed pitchers, and vice-versa? "Platooning is overrated. When you're playing little league and in the minors, you have to hit everybody. A good player can hit anyone."

POWER NEEDED

Is baseball changing, with more emphasis being placed on speed? "Baseball goes in cycles. All the speed in the world won't help you if you can't get on base. You can't steal first base. In the World Series, Philadelphia kept Willie Wilson off base and that stopped Kansas City. You still need the threat of power . . . a guy who can put runs on the board with one swing of the bat."

How will Pirates do in the 1981 season? "Your guess is as good as mine. Our chances are good, if we do the right things. I can't predict what changes will be made . . . I'm just a player."

If Willie Stargell is just a baseball player, then Gordie Howe was just a hockey player.

You'll get a chance to meet Stargell tonight at the, 'Salute to the Champions,' in the Vernon Lodge Hotel. Tickets will be available when doors open at 6 p.m. Cost is $20 per person.

WILLIE STARGELL is elated with the gift of a white, furry hat with 21 carnival buttons. Presented Friday by Ald. Sigrid-Ann Thors, on behalf of the Winter Carnival Society. Stargell is in Vernon this weekend for the 21st annual carnival, as a principal VIP. It is the first time he has been in British Columbia.

Winger returns to line-up

Right winger Gary Gilchrist will be in the line-up tonight when Vernon Cougars host the Grindrod Elks in the first game of an elimination round that will determine the two NOHL finalists.

Vernon Coach Gary Swanson said Friday, that Gilchrist, who has been out for 12 weeks with a broken heel, will play on a line with Wayne Dye and John Box.

Gilchrist may see limited action, however, as Swanson lets him work into shape gradually.

"He has a few days to go yet," he said. "I don't want to push him too hard."

The rest of the team is healthy and Swanson said they are well prepared for Grindrod.

Cougars play Elks back-to-back this weekend, travelling to Enderby Sunday and Swanson said they could be key games in determining the eventual winner of the month long round robin eliminations.

"I think Grindrod is toughest of the three (remaining NOHL teams)," he said. "You have to play them really carefully. If they get a good lead on you, then they are a hard team to come back on."

He said the series promises to be entertaining and expects the Cougars to do well.

"We should win it."

Game time Saturday is 8 p.m., in the Civic Arena. The Enderby game is at 3 p.m.

Goalie joins Lakers

Vernon Lakers will have a new netminder between the pipes tonight when they face the Rockets, in Revelstoke.

Terry Wilson joined the team this week. Wilson was cut during Vernon's training camp and has been playing with an Edmonton juvenile club.

He will remain with Lakers for four games.

Vernon has been without a netminder since Mark Lang quit last week.

On Sunday, at 7 p.m., Vernon hosts Penticton Knights. Ron Interman, David Popilchak, Rod Kashuba, and Luke Hildebrand, from the Vernon juvenile reps, will play for Lakers.

CALGARY'S 6'7" centre Derrick Dell, right, blocks Al Gee's shot during opening day play at the Chimo Classic Basketball Tournament, at VSSS. Gee scored 15 points and was a defensive standout as Panthers beat the Alberta team 85-79. Eight teams are competing in the two-day event. Mission Roadrunners are expected to be the club to beat in tonight's championships game, at 9 p.m.

Panthers use balanced attack

Vernon Panthers edged Crescent Cougars, of Calgary, 85-79 Friday during opening round play in the Chimo Classic Basketball Tournemtn, at VSSS.

In other first round games, Mission Roadrunners blasted Princeton 104-60, Gladstone Gladiators nipped KLO Cougars 90-86, and Pt. Grey Greyhounds dumped Langley 72-66.

Panthers used a balanced attack, with six players hitting double figures, against the taller Calgary club.

Dale Dafoe led the Vernon attack with 16 points, Al Gee sunk 15, Pat Paul, and Daryl Ivins collected 14, Lance Page and Dale Olson added 12 apiece.

Gee played briefly in the first-half, then starred in the second-half when Page fouled out. Besides his offensive contribution, Gee was also a standout on defence.

Mike Cole was a dominant force for Crescent with 22 points while 6'7" centre Derrick Dell added 20.

Cole, a 6'5" forward, is considered one of the top players in Alberta. Stopping Cole was an almost impossible task for Olson.

He is strong enough to drive to the hoop and when he was prevented from going inside, he shot equally as well from the outside.

Calgary Coach Roger Teshima said, "Cole is averaging 18 points per game in Alberta. However, we only play eight-minute quarters (10 minutes in B.C.) and he usually gets more rest because the competition isn't this tough."

Panthers pressed the entire game. Vernon held quarter leads of 20-18 and 48-42 before Calgary started breaking the press early in the second-half. Crescent held a 64-63 edge after three-quarters.

Then the flow of play changed again in the fourth-quarter as Vernon's press forced a series of costly turnovers for Calgary.

Panthers' coach Deloy Routley was pleased with his club's performance, but wanted to talk about Mission.

"People have got to see that team (Mission) to believe it," he said. "They have to be the best team in B.C. They are a real pleasure to watch."

Bob Braich led Roadrunners past Princeton with 22 points.

Diego Marchese, rated as one of the top guards in B.C., was the leading scorer for Gladstone with 22 points. Shane Bellman replied with 29 for KLO.

Chuck Wilmiuk was the offensive leader for Pt. Grey with 23 points against Langley.

Eight games are scheduled today. Consolation games are scheduled at 5:30 and 7:15 p.m. The championship final, which will probably feature Vernon and Mission, will be played at 9 p.m.

Meanwnile in Penticton, Vernon Royals defeated Summerland 53-47 in the opening game of a senior girls' tournament.

Chris St. Pierre led the Royals with 14 points while Lori Elliott added 13 and Jan Guenther sunk nine.

Vernon Coach Ray Kimoto said, "Our girls play a strong defensive game . . . one of our better efforts this season."

Royals were scheduled to meet either Lumby or Castlegar in the semi-finals today.

Larry Olson scored 22 points to lead the Seaton Sonics to a 58-55 win over Kal Lakers in junior high school basketball action Thursday.

Brent Nixon helped the winners with 11 points while Lorne Babiuk and Darren Rash replied with 10 each for Kal.

The win puts Seaton in sole possession of second place in the league, two points ahead of Kal.
