

Knights and Lakers renew rivalry Tuesday

One of the most intense rivalries in the B.C. Junior Hockey League resumes Tuesday night when Penticton Knights host Vernon Lakers.

Knights and Lakers have battled for first place in the Interior Division for the past three seasons. In 1982-83,

Kelowna Buckaroos finished first, one point ahead of Lakers and two points ahead of Penticton. The past two seasons, Knights took top spot and Vernon settled for second.

Penticton dumped Lakers 13-5 and 8-5 in exhibition action, but Vernon has

improved a lot since those losses, 10 days ago, according to Head Coach Don Moores.

"We'll have at least five or six players on the ice Tuesday who missed the pre-season games," Moores said.

"The key for us will be how aggressive we play. You have to go at Penticton all the time and if you don't, you'll be in trouble."

Meanwhile, Sidney Capitals put two big second periods together during the weekend to score a pair of BCJHL victories.

On Sunday, the Caps scored four unanswered goals in the middle frame to down the visiting Langley Eagles 6-3.

On Saturday, they tallied seven times in the second period en route to a 9-2 home-ice victory over Nanaimo Clippers.

In other Saturday games, Penticton Knights outshot Summerland Buckaroos 77-27 and won 12-5; an overtime goal by Kevin Nohr gave Salmon Arm Blazers a 6-5 decision over Abbotsford Falcons; Delta Flyers beat Langley Eagles 4-2; and Kelowna Packers downed Merritt Warriors 8-4.

In Summerland, the Knights led 5-0 and 11-4 at the intermissions, and got two goals each from David Shields, Greg Cyr, Scott Rawson and Lee Davidson. Singles were added by Chris Anderson, John DePorcu, Mike McCormick and Aaron Scott. Summerland scorers were Craig Beddard, Dave Tomlinson, Ken Gardner, Gord Paulsen and Barry Touzin.

Kelowna got two-goal performances from Pat Mangold, Ward Carlson and Shawn Harrison while Darren Schwartz and Kerry Russell were the other Packer snipers. The visiting Warriors got goals from Jeff Leyer, Kevin Cheveldave, Mark Greyeyes and Tim Roux. Sixteen players, eight from each team, were ejected after a fight in the second and third periods.

Skiers prepare for upcoming season

Vernon Ski Club kept itself and most of its members busy during the summer preparing for the upcoming season on Silver Star.

Among the major fund-raising events during the off-season have been bingo nights, which have run since the early summer, as well as a trip to Hawaii raffle.

A pair of Vernon skiers, who nurtured their skills in the local ski club, will be putting them to use on the European slopes. Brent Nixon, a member of the Canadian National 'D' Team, recently left Vernon for training in Europe. Nixon will follow up his European training with a number of ski races in Canada and the United States before further training and racing in Europe.

Meanwhile, Eric Sollid, who skis with the Alpine C-class team from the Vernon Ski Club, attended training camp with the B.C. Ski Team during the summer and has been in Austria for the last three weeks training with that team.

The annual ski swap will be held Oct. 18 and 19 at the Recreation Centre with bargains on skis, boots, poles, clothing, as well as cross-country equipment. There will also be a skate swap at this event.

Registration for ski club memberships and ski racing groups will be available at the same for ages five years and up. Qualified personnel will be available to give advice concerning ski purchases and racing schedules.
