

Junior team not sold

Vernon Lakers Junior 'A' Hockey Team is for sale, but has not yet been sold, according to owner and President Carl Enemark.

Enemark told the Daily News he was surprised by a radio report, Wednesday, that predicted a deal is imminent. "I don't know where they got that information," Enemark said. "Nobody from a radio station has talked to me."

Enemark announced last month that he hoped to sell the team after becoming discouraged with fan support and his club's on-ice performance in the playoffs.

"I've talked to three or four people about buying the team," he said. "I've met with guys from Kelowna, Kamloops, and Richmond, but nothing is settled yet and I don't expect to make a deal within the next few days."

A report that a price tag of \$35,000 has been placed on the team is also erroneous, according to Enemark. "I have no idea where that figure came from," he said.

Lakers finished third in the B.C. Junior Hockey League's Interior Division during the 1985-86 season. Kelowna Packers then eliminated Lakers in the opening playoff round.
