### President's Message . . .

The North Okanagan Hockey League is one of the oldest operating hockey leagues in B.C. The League was founded in the late 1920's and early '30's and has always had at least one team operating in the Vernon area. This season is no exception with the Vernon Cougars, defending 1978/79 Champions, looking forward to the season with great enthusiasm.

The NOHL over the past three years has seen a great resurgence with teams from Kelowna to Revelstoke participating in the loop. This season the League has expanded to include the reorganized Salmon Arm Aces from the defunct Monashee League. Each team plays a thirty game schedule and is totally responsible for its own operations, both on and off the ice. The NOHL is affiliated with the BCAHA and CAHA in the Intermediate Category which allows its members, if they so desire, to compete for the Coy and Hardy Cups symbolic of Provincial and National Champions respectively. Over the past few seasons the NOHL has become a highly competitive and exciting calibre of hockey yet still manages to maintain a major emphasis on Sportsmanship and Fair Play.

I would like to take this opportunity to wish the Vernon Cougars the best of luck in their 1979/80 season and to express my sincere thanks to you, the hockey fan, for supporting the NOHL. It is my hope that you thoroughly enjoy this year's version of the North Okanagan Hockey League.

Sincerely,

Chris Nelson, President  
NOHL.

My sincerest congratulations to the Vernon Cougars, winners of the 1978-79 North Okanagan Hockey League Championship.

Your dedication, hard work and good sportsmanship is an excellent example to the many young people engaged in sports in our area.

I wish you enjoyment and continued success in your sport during the coming season.

Sincerely,

Patricia J. Jordan, M.L.A.  
Okanagan North.

The Burnaby Lakers have played in 52 league and exhibition games this season. Their record stands at 41 wins, 8 losses and 3 ties. The competition has ranged from some of the weaker teams in their league to the best of the B.C. Senior League. In the 52 games the Lakers have played, they have scored 404 goals and given up 156 goals against. The Laker hockey club has no individual superstars but they do have 3 well balanced forward lines, 2 good utility forwards and a mobile defensive corps that likes to move the puck quickly. Two solid goaltenders round out the Lakers family.
